

SCHEDULE OF INCOME CEILINGS

The California Department of Education (CDE) annually revises the income ceilings for the initial certification and recertification of a family applying for enrollment in a subsidized child care and/or development program based on the State Median Income. The income ceilings are presented in two different schedules: 70% SMI and 85% SMI. For the most up-to-date schedule, contact your Pathways LA Program Specialist.

SCHEDULE 1. INCOME CEILINGS FOR INITIAL CERTIFICATION (70 PERCENT SMI)		
Use this chart when determining initial income eligibility for families applying for subsidized child care and development services.		
Family Size	Family Monthly Income	Family Yearly Income
1-2	\$4,173	\$50,077
3	\$4,502	\$54,027
4	\$5,256	\$63,083
5	\$6,098	\$73,177
6	\$6,939	\$83,270
7	\$7,096	\$85,163
8	\$7,254	\$87,055
9	\$7,412	\$88,948
10	\$7,570	\$90,840
11	\$7,727	\$92,733
12	\$7,885	\$94,625

SCHEDULE 2. INCOME CEILINGS FOR RECERTIFICATION (85 PERCENT SMI)		
Use this chart when determining ongoing income eligibility for families receiving subsidized child care and development services.		
Family Size	Family Monthly Income	Family Yearly Income
1-2	\$5,067	\$60,808
3	\$5,467	\$65,604
4	\$6,383	\$76,601
5	\$7,404	\$88,857
6	\$8,426	\$101,113
7	\$8,617	\$103,412
8	\$8,809	\$105,709
9	\$9,000	\$108,008
10	\$9,192	\$110,305
11	\$9,383	\$112,604
12	\$9,575	\$114,902
