As a parent needing child care while employed:

(Parent initials)

- _____ 1. I authorize Pathways to contact my employer and verify all information regarding my employment, including but not limited to my scheduled hours, rate of pay, pay period, potential for overtime, tips, or additional compensation.
- _____ 2. I understand that it is my responsibility to inform Pathways of increases to my family's income that exceeds 85% of the State Median Income within 30 days. I can also voluntarily report changes which will result in a positive change to my service level, such as an increase in my work hours or decrease in income which will result in a reduction in my family fees.
- _____ 3. I understand that I am responsible for providing Pathways with accurate documentation regarding my income. This includes, but is not limited to, pay stubs, letters from my employer, most recently signed and completed tax returns, quarterly estimated tax statements, or other records to support the reported income.
- _____ 4. I understand that I must submit income information at my yearly recertification, during any update in my application, or at any time deemed necessary by Pathways.
- _____ 5. In addition to my income from my employment, I am required to submit copies of documentation of all non-wage income (such as CalWORKs grant, work bonuses, child support, alimony, etc.)
- _____ 6. I understand that my child care specialist will determine my eligible hours based on work hours verified and pay stubs submitted. If the hours reflected on my pay stubs do not coincide with a set schedule, and reflect variable work hours, I will be approved on a variable schedule. If I do not agree with decision, I may file an Appeal and will be required to submit supportive documentation to change the approved hours to a set schedule.
- _____ 7. At certification, if I work a variable schedule, I will be required to submit three months' worth of complete paystubs in order to extend services for no less than 12 months. I understand that failure to submit complete income information will be grounds for termination of child care services.
- _____ 8. Child care services provided for variable schedules will be reimbursed based on actual hours of care used as reflected on the attendance sheet submitted by your provider. Variable schedule needs are not eligible for holidays, absences, or best interest days.

I understand that my failure to comply with the rules of the program or terms of this employment agreement may result in the immediate termination of child care services in which case I become solely responsible for paying for all of my child care costs. In addition, I understand that I may not alter the terms of this agreement without prior written approval from Pathways and that Pathways reserves the right to request additional documentation regarding my employment.

I have read and fully understand and agree with the terms of these employment policies.
